

Directions to the Workspace

How to Find Us

1 DIRECTIONS

1. From Highway 122:

- Head North on College Drive
- Look for a fork in the road.

2. At the Fork:

- Take the left turn toward the STEM center and John Pappajohn Entrepreneurial Center.

3. Follow the Road Until it Stops:

- Continue until the road dead-ends into a parking lot.
- Park in any available spot.

4. Identify the Industrial Building:

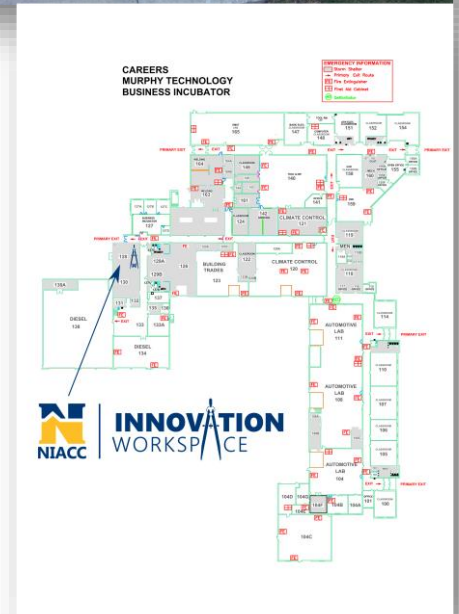

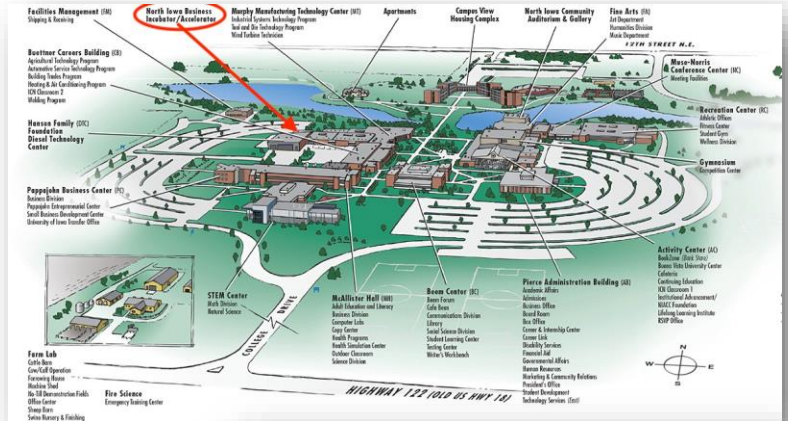

- The industrial building is to the east of the parking lot.
- Look for a large, white drafting compass with the NIACC N on the exterior doors of the Innovation Workspace.

5. Locate the Innovation Workspace:

- Head toward the building doors off to the left, guided by the compass.
- Inside take an immediate right toward Diesel Technology.

6. Final Destination – NIACC Innovation Workspace, Room CB128:

- Take another right into the NIACC Innovation Workspace, Room CB128
